Villanova University*

April 20, 2017 7:30 pm Carroll Auditorium

Madeleva Hall Saint Mary's College

In the midst of a fragile world that totters on the edge of brokenness, there is a deep desire for belonging, community, participation and wholeness. What drives this desire for the whole? By looking through the lens of modern science and the vision of Teilhard de Chardin, Sr. Ilia will explore the relationship between evolution and religion with a focus on the unfinished nature of human life, the emergence of Christ and transhumanism as the next level of evolution.

SCHOLARSHIP LUNCHEON FEBRUARY 25, 2017

SMC President Janice Cervelli received a warm welcome from LND/SMC at the luncheon honoring its 2016-17 scholarship recipients and their mothers on Saturday, February 25, 2017, at Rice Commons,

Saint Mary's College. The atmosphere was somewhat electric with subdued anticipation from the 54 attendees of what Pres. Cervelli would say. She related, "It is great to be home!" A graduate of Holy Cross Grade School and Saint Joseph High School, Pres. Cervelli related that being at SMC she is reconnecting her family life and faith, with her academic and professional life.

Now nine months into her presidency, she spoke with confidence concerning the women students at SMC. She cited some areas of their personal lives where the College could help them more than it has in the past. She recognized the high level of anxiety that students bring to their college lives, much of which is fueled through social media. She would like for freshmen students to spend some time at SMC in the summer prior to their enrollment with hopes of lowering this anxiety. In addition President Cervelli is joining with

Br. John Paige, csc, and Fr. John Jenkins, csc, presidents of Holy Cross College and the University of Notre Dame, in an effort to reduce the incidence of sexual assault on the three campuses.

In addition she presented many ideas of where the College could further enhance, not only its undergraduate students academically but also the local community, with a listing of potential post-graduate degrees in nursing, psychology,

Ruth Schmitz, LM,

power to women in educating both their hearts and minds. She cited Sr. Madeleva, csc, a former President as a model.

In the past decade, SMC has expanded its outreach to under-represented young women. Today, 20% of its student body of 1600+ students is from under-represented groups. Pres. Cervelli stated that women educated at women's colleges graduated at a greater rate than at mixed gender colleges, have a higher rate of income, graduate with less debt, receive more assistance in their education and are more philanthropic in the course of their lives.

gerontology, occupational and physical therapy, environmental sciences and sustainability farming.

Pres. Cervelli holds that SMC, which has a strong liberal arts education for their undergraduate women and a Catholic identity, can give

LND/SMC President JoAnn MacKenzie introduced the scholarship recipients from the college, junior, Madison Gonzales, and the university, senior Erin Foldesi.

Each of the recipients spoke to the audience about their studies as well as their activities.

Guests Nancy Barrett and Mary Ann Derda, Margaret Kenney, LM, guest Mary Jane Gray, Joan Hofman, LM

SCHOLARSHIP RECIPIENTS

Erin Foldesi, UND '18 & Elizabeth Foldesi

Erin Foldesi is a 2013 graduate of Marian High School. During her time at Notre Dame she has been involved with the McGlinn Hall Council, a member of the IDSA (Industrial Design Society of America) student chapter, and has been a student assistant at the Kaneb Center for Teaching and Learning, the latter for all four years. Last spring 2016, she had the opportunity to study in Athens, Greece. In fall 2016, she was in a collaborative design class where they entered the *Disney Imagineering Competition*. Her team placed as a semi-finalist.

Presently a senior Industrial Design major she is working towards a B.F.A. degree. This requires the completion of a thesis project, which will be displayed in the Snite Museum of Art in the spring. Her thesis is re-designing the SCBA, (the air tank which is carried by firefighters on their backs) to be better suited for female firefighters. After graduation, She hopes to work in the Midwest as an Industrial Designer.

Lori Gonzales & Madison Gonzales SMC '17

Madison Gonzales is a 2014 graduate of Saint Joseph High School. She is a junior SMC psychology major with minors in sociology and Intercultural Studies. Her minor reflects her belief that women have an equal voice , especially those women who are abused and/or marginalized.

Madison choose to study abroad in South Africa during her sophomore year because it is infrequent that SMC students go there. She loved it. Presently, she works in the CWIL (Center for Women's Intercultural Leadership) office at SMC as the peer advisor of the South Africa Program of studies. In the future she plans on going to grad school to pursue studies in Social Psychology. She hopes to do something with cultures and psychology.

IN MEMORIAM

Ellen Johnson Malone

September 2, 1924 - February 8, 2017

Born in Toledo, OH, to Beatrice and Clifford Johnson, Ellen attended Saint Ursula Academy then graduated from the University of Toledo with a major in Art.

In 1946 Ellen married John R. Malone at Rosary Cathedral in Toledo. Then, in 1952, Ellen and John moved to South Bend where John established the MBA Program at the University of Notre Dame.

The couple immediately immersed themselves into life in both South Bend and Notre Dame communities. For Ellen that meant involvement in numerous groups including the University Club of Notre Dame, where she served on the Board of Directors, the Christian Family Movement, the Northeast Neighborhood Food Pantry and our own LND/SMC. Ellen also taught at McKinley, Marquette and Madison Schools. The couple entertained many Notre Dame benefactors at formal events as well as more informal home gatherings.

Ellen loved playing bridge and, upon moving to Holy Cross Village in 2014, became leader of the bridge group at Andre Place, her new home. She was a parishioner at Sacred Heart Parish, Notre Dame, for fifty-five years.

Ellen is survived by her six children, Kathleen Beeler, Mary Ann Morris, Jane Zilly, John Malone, Jr., Carol Lattner and Susan Feeley as well as by twenty-five grandchildren and twenty-three great grandchildren. Ellen is also survived by her sisters Midge, Madelyn, Marilyn and Bonnie.

A Mass of Christian Burial was celebrated on February 11, 2017, in the Saint Joseph Chapel on the campus of Holy Cross College. That Mass was followed by graveside services and burial at Cedar Grove Cemetery, Notre Dame, IN.

IN MEMORIAM

Dorothy R. Leader

March 5, 1923 - March 2, 2017

Dorothy Riehl was born on a farm near Raleigh, North Dakota, to German emigrants from Western Russia. One of seven children, she learned English in a one-room schoolhouse. At age seventeen, she left home to attend nursing school in Bismarck, ND.

During World War II Dorothy enlisted in the Navy Nursing Corps, serving in several Navy hospitals before being discharged as a Lieutenant (j.g.) in 1946. Dorothy then earned a B.S. in public health nursing at New York University.

In 1949 Dorothy married Robert Leader, a man she cared for in earlier years as he recovered from wounds suffered on Iwo Jima during World War II. Robert and Dorothy moved to South Bend, IN, where he was a Professor of Art at the University of Notre Dame.

Meanwhile, Dorothy continued her advanced studies, earning an M.S. from the University of Illinois then, in 1970, a Ph.D. in gerontology from the University of Michigan.

After raising five children, Dorothy resumed her professional life. First she was deputy director of the Visiting Nurses Assn. of St. Joseph County, IN. Then she became director of the nursing program at Lake Michigan College, Benton Harbor, MI. Dorothy was promoted to Dean of Health Sciences at Lake Michigan College, a post she held until retiring in 1986.

Dorothy also remained involved in volunteer activities at Notre Dame and in the South Bend community. She served as President of the Ladies of Notre Dame and Saint Mary's College during 1963-64. She also taught English as a second language and, because of her strong faith and her dedication to the Brothers of the Holy Cross, funded the Leader Legacy of Faith Center at Holy Cross College.

Dorothy is survived by children Charles (Becky), Elizabeth (David Hill), Damian (Joan), Andrew and Christopher (Linda), as well as by nine grandchildren and nine great-grandchildren. Her beloved husband Robert died in 2006.

A Mass of Christian Burial was celebrated for Dorothy on March 6, 2017, at the Basilica of the Sacred Heart on the campus of the University of Notre Dame. Inurnment followed at Cedar Grove Cemetery, Notre Dame, IN.

IN MEMORIAM

Therese Raven

January 2, 1931 - February 10, 2017

On January 2, 1931 Theresa was born in Erie, PA, to the late Anthony and Theodora (Rastatter) Strobel. She graduated from Erie's Academy High School in 1948, then earned a degree in math from Mercyhurst College in Erie in 1952.

That same year Therese Strobel and Francis Harvey Raven were married. Their sixty-four years of marriage were centered on both their family and their deep faith in God. They were devoted to raising their seven children and were immensely proud that all seven earned degrees from either the University of Notre Dame or Saint Mary's College.

Therese enjoyed playing board games and cards with family and friends. She helped Fran edit the engineering textbooks he wrote while teaching at Notre Dame. Together Therese and Fran traveled to many countries around the globe.

A devoted Catholic, and a longtime parishioner at Little Flower Catholic Church, Therese attended daily Mass and was a frequent reader at those services.

Therese is survived by her loving husband Fran, daughters Elizabeth "Betty" Raven, Ann (Bill) McCarthy, Mary "Bart" (Doug) Mansmann, Catherine "Cathy" Raven and Linda (Claudio Adolfo) Raven as well as sons Paul (Cydni) Raven and John (Anne) Raven and her brother Norbert (the late Barbara) Strobel. Therese was also blessed with ten grandchildren who will miss their attentive and loving grandmother.

A Mass of Christian Burial was held at Little Flower Catholic Church, South Bend, IN, on Monday, February 13, with Fr. Terry Coonan, Jr. officiating.

IN MEMORIAM

Barbara V. Szewczyk

April 6, 1936 - February 7, 2017

Barbara was born in Chicago, IL, on April 6, 1936, to Leon and Wanda Gale. She graduated from Notre Dame High School for Girls in 1949 then attended Wright Junior College in Chicago where she majored in literature.

In June, 1956, Barbara married Albin Szewczyk, who survives. She is also survived by three daughters, Karen Knop of Indianapolis, IN, Andrea Simpson of South Bend, IN, and Tere (Paul) Sinka of South Bend, IN, as well as her brother Leo Gale of Burlington, WI. Barbara enjoyed her twelve grandchildren and eight great-grandchildren.

Barbara was an avid reader and loved crosswords. She enjoyed many travels with her husband and, while at home, loved hosting and entertaining family and friends during Notre Dame's football season.

Barbara was an enthusiastic volunteer at the Christ Child Society Clothing Center and at Memorial Hospital. She was a life member of our organization, the Ladies of Notre Dame and Saint Mary's College.

Surrounded by her loving family, Barbara passed away peacefully at Hospice House, South Bend, IN, on February 7, 2017. Predeceasing Barbara were her parents, Leon and Wanda Gale, as well as two daughters, Lisa Kruger and Nancy Szewczyk.

A Mass of Christian Burial was celebrated at the Basilica of the Sacred Heart, Notre Dame, IN, on February 17, 2017. Inurnment at Cedar Grove Cemetery will take place at a later date.
