THE LADIES OF NOTRE DAME AND SAINT MARY'S COLLEGE

VOLUME 53

NUMBER 1

SEPTEMBER 2018

From the PRESIDENT . . .

Those long summer days are gone, and the leaves are starting to fall signaling that it is time to move to the next season. Our autumn in South Bend has many traditions. Ours is the Ladies of Notre Dame and Saint Mary's College (LND/SMC) Opening Reception. I hope you can join us on Tuesday, September 25th from 7-9 PM at the South Club, through the Frank Leahy entrance to O'Neill Hall. We are so pleased to have President Jan Cervelli of Saint Mary's College and Rev. Gerard Olinger, csc, Vice President for Mission Engagement and Church Affairs at Notre Dame, speaking at this event. Please plan to bring a friend.

When I arrived in the area five years ago, it was the LND/SMC that provided my first introduction to other women in the area. And

my base of friends today are those same people! I am so appreciative of this organization for introducing me to people, places, restaurants, happenings and so much more! Wait to see what we have planned this year! Thank you to all the volunteers and planners in the LND/SMC!

An important piece of our existence are the contributions we make for scholarships to local young women who attend Saint Mary's or Notre Dame. Please consider giving generously to the Scholarship Funds when completing your membership form online, by mail, or in person at the Opening Reception.

I look forward to working with the great group of women on the board this year and socializing with all of our members. Won't you join us?

Meg Mitzel

OUTDOOR ADVENTURES

Frederik Meijer Gardens - Grand Rapids, MI

Please join LND/SMC members to experience masterpieces of art and nature that will delight the senses at Frederik Meijer Gardens, one of the nation's premier horticultural display gardens and sculpture parks located in Grand Rapids, Michigan. Ranked in the top 100 most-visited art museums worldwide, Frederik Meijer Gardens & Sculpture Park has grown to become an international destination. The sculpture program features more than 200 works in the permanent collection sited both indoors and outdoors on the 158-acre main campus.

The permanent collection focuses on works by established and emerging sculptors from the Modern tradition to the present. Earliest works date to the second half of the 19th century with masters such as Carrier-Belluese, Degas, and Rodin. Starting with these masters, the comprehensive presentation includes sculptors from the late 19th century to the present.

From the tropical conservatory to the Gwen Frostic woodland shade garden, you will find plants selected for year-round interest. The emphasis is on horticultural displays showcasing a beautiful array of plants appropriate for the Midwest and specialized plants from regions around the world. Presentation ranges from planned and manicured to natural and native.

We can lunch at the Balk Café, with its dazzling glass ceiling sculpture by renowned artist Dale Chihuly. Named *Lena's Garden* in honor of Lena Meijer, the sculpture, comprised of dozens of individual blown-glass pieces, spans the ceiling in a spectrum of colors from cool greens, cobalt blues and purples to brilliant oranges, yellows and reds.

IN MEMORIAM

Christine H. Costello

October 15, 1931 - May 12, 2018

Christine was born on the South Side of Chicago on October 15, 1931. Her parents were John and Helen (Curtin) Kane. Helen came to South Bend in 1960 when her husband, Donald, accepted a position in the English Department at the University of Notre Dame. Donald and Christine settled in the North Shore Triangle neighborhood of South Bend where they raised their six children.

Christine had many and varied interests. She hosted wonderful dinner parties and was a “foodie” before anyone knew the word. Her garden was the talk of the neighborhood, and she mastered the “farm to table” method before it was invented. She did excellent needlework and was a member of Embroiderers Guild of America.

A longtime leader of the Evening Book Group of the Ladies of Notre Dame, she read widely. She also loved opera, theater and travel.

Christine is survived by her husband of 66 years, Donald, and her six children. A Mass of Christian Burial was held at the Basilica of the Sacred Heart, Notre Dame on May 21, 2018, and burial followed at Cedar Grove Cemetery.

VOLUNTEER OPPORTUNITIES

We look forward to seeing you at the Opening Reception on September 25! Please consider volunteering with us!

A Rosie Place located at 53131 Quince Road, South Bend, IN 46628 provides a haven for children who are medically fragile, while providing family members periods of relief from the demands of twenty-four hour care giving. A Rosie Place receives the vast majority of funding for special needs children from private donors and need of volunteers to write or call their benefactors to say thank you. We hope that you can join us on October 17 and November 14 from 1:00-3:00PM to assist.

KidsPeace is an organization that provides a variety of foster care and community based treatment programs to help people in need overcome challenges and transform their lives. They need help in providing a Christmas party and gifts for their children in foster care. The party will be in early December. Date and location will be determined soon. We hope you will consider volunteering to help at the party. We are also looking for gift donations for approximately fifty-five children.

Cultivate is looking for volunteers who are able to assist in their food rescue program. Food rescue, also called food recovery or food salvage, is the practice of gathering edible food that would otherwise go to waste from places such as restaurants, grocery stores, produce markets, or dining facilities and distributing it to local food banks, food pantries,

and emergency food programs. Their partnership with Notre Dame and other local food suppliers provides a great opportunity to feed members of our community who are food-insecure. Come check out their facilities and spend a couple of hours preparing meals for the hungry in your community. You may volunteer here: <https://cultivateculinary.com/volunteer/>. Your donation will be gladly be accepted here: <https://cultivateculinary.com/donate> or send a check to 701 N Niles Ave, South Bend, IN 46617.

If you would like to volunteer at any of these events, please contact the Volunteer Coordinators:
