THE LADIES OF NOTRE DAME AND SAINT MARY'S COLLEGE

VOLUME 53

NUMBER 2

NOVEMBER 2018

*From the* PRESIDENT . . .

Fall, the real deal, is finally here. We had some great outdoor days long into the semester, and I hope we have many more as I haven't finished cleaning up the garden beds. We have had some wonderful LND/SMC events already, and kudos to the Program Committee, Newcomers, Creative Cooking and our other active interest groups!

I want to encourage all of our members to contribute to the Scholarship Fund. Every year tuition increases, and we want to support our local young women who attend Saint Mary's College and Notre Dame.

The hectic holiday season is coming. I hope you will take some time to relax and attend LND/SMC planned events. Learn something new, eat something new, drink something new! We need food and fellowship options during our cold season!

It continues to be a pleasure to be the president of this organization. I have met so many smart and accomplished women. I appreciate your company and the many blessings you have given me these last five years! Happy Thanksgiving!

Meg Mitzel  
President

## CREATIVE COOKING

The Creative Cooking Group is off to a great start. Our first dinner included spouses and brought back memories of the **60's with Beatles' Inspired British Food**. In October, the meal was straight from the **Farm to the Table** and featured the bounty of the harvest season. Members are looking forward to the **Tapas Meal** in a few weeks.

Creative Cooking welcomes LND/SMC dues paying members at any point during the year. There is a \$35 fee to cover the cost of the meals. Everyone is asked to plan and cook two different meals or host one meal at their house.

Our group usually meets on the second Tuesday of the month. In December, we will be featuring Holidays around the World. American Cities' Specialties, Recipes in Literature

and Newspapers, Food and Art, and Breakfast for Dinner are the remaining monthly themes. If you're interested in finding out more, please contact:

## *SPEAKER SERIES - Missy Conboy, Senior Deputy Director of Athletics, Notre Dame*

A very attentive group of women recently gathered in a renovated conference room in the Joyce Center to meet Missy Conboy, ND '82, the Senior Deputy Director of Athletics at Notre Dame, currently under Director Jack Swarbrick.

After receiving a law degree from Kansas University, Conboy went to work for the NCAA

*Catherine Kossler, LND/ SMC Program Chair and Missy Conboy*

as a violation investigator / prosecutor in both men's and women's sports. When she accepted Notre Dame's offer as a compliance officer for the Athletic

Department she arrived on the same day that the new Athletic Director, Dick Rosenthal, took office. Since her days as a student athlete (1978-82, captain '82) on the Notre Dame Women's Basketball team to today, Conboy has seen the rapid growth and flourishing of not only women's athletics but all athletics at Notre Dame. From the beginning, while responsible for all athletes, not just women, her focus was on basketball, volleyball and tennis. She was interested in gender equity. In 1988 there were only 27 athletic scholarships for women. At that time, the ratio of men to women at the university was 2:1. Today it is close to 1:1.

Subsequent athletic directors increased the number of women's scholarships and provided leadership in hiring better coaches. The philosophy of the department encouraged coaches to

be teachers as well as coaches, as athletes had to have good role models. In all Division I sports, scholarships were to be fully funded. Student athletes are looking for education and facilities that are "more than adequate." On 09/11/01, a master plan for \$128 million was implemented... facilities fitting architecturally with the University style as well as serviceable to the department. Conboy was involved with all of the work on this plan... thus adding "construction and facilities management" to her title. Her latest additional project was the athletic part of the Crossroads Project. She is excited that "the stadium that Rockne built" is "the part of the university where athletics were incorporated with the academic and social campus community."

As a wife and a mother of 3 daughters, Conboy has an active life. She is settled in the local community, unlike her youth when as a daughter in a military family she attended 12 schools in 13 years!

What is her future? She still oversees policy compliance issues as deputy Title 9 officer for athletics at Notre Dame and as a member of a legal team for the NCAA. She is part of the university's discussion on possible additional sports for both men and women, perhaps "women's ice hockey!" In closing, she answered questions from the audience.

Perhaps in the future, Notre Dame will have a new athletic director, and HER name will be Conboy. She is more than qualified.

## IN MEMORIAM

### Patricia Carroll Weber

February 1, 1935 - September 2, 2018

Patricia was born in Rapid City, South Dakota. In 1955 she married Ronald Weber, and they moved to South Bend where he was finishing his studies at Notre Dame. She worked as a dental assistant in Mishawaka until the birth of the first of three daughters. Subsequently the family moved to Iowa, then to Minnesota, before returning to South Bend in 1963 when her husband joined the Notre Dame faculty. Travel was a part of their lives, and the family lived in Portugal, England and Ireland.

As a longtime member of Little Flower Church in South Bend, Patricia was an advocate for the poor. In addition, she was a volunteer middle-school teacher's aid, a Girl Scout troop leader and a member of an embroidery group that supplied blankets for military veterans. In 2005 she and her husband moved to Valparaiso to be near family.

Patricia is survived by Ronald Weber, her husband of 63 years, her sister Elizabeth Morse, and three daughters Elizabeth Krupcha, Andrea Weber and Kathryn Weber. Also surviving are three grandsons and two great-grandchildren.

## OUTDOOR ADVENTURES - Frederik Meijer Gardens, Grand Rapids, Michigan

Our Outdoor Adventures outing to the Frederik Meijer Gardens in Grand Rapids was a big success. We had a beautiful day in September to tour the gorgeous gardens and view the unique sculptures scattered throughout the grounds. We found the Japanese Garden to be a particularly special sensory experience with the winding paths, lake, stunning sculpture and boulders with traditional and contemporary Asian elements along the circular route. We highly recommend a trip to enjoy Meijer Gardens. It's about a 2 hour drive and the cafe is perfect for lunch.
