THE LADIES OF NOTRE DAME, SAINT MARY'S COLLEGE AND HOLY CROSS COLLEGE

VOLUME 57

NUMBER 4

APRIL 2023

From the PRESIDENT . . .

Did you know that the more people engage in digital interactions, loneliness actually increases?!

In our post Covid world, the importance of social connection is consistently being cited in research as one of the important pillars of good health and longevity. Who among us has not noticed that increased isolation and "screen time" is leaving people more disconnected than ever? Today, some people are just plain cranky!

Humans are wired for connection. We truly suffer without it. The face-to-face energy exchanged between people is important towards enhancing our mental and physical health. Let's call it Vitamin "Connection"!

By increasing social interactions, we improve our mental health, live longer and are happier. Feeling seen, heard and valued provides us with sustenance and strength. How wonderful did it feel the last time you had a great laugh with friends, family or even a stranger? How many times per day do you smile at another person? Relationships may be complicated but we have many opportunities to build them if we just reach out. Leave your comfort zone if you have to; it will be worth it!

So, if you are feeling cranky or lonely, take a walk outside with a friend. Make plans to get together for a puzzle or game night. Invite coworkers to eat lunch together. Join a club, or take a class you've always been curious about. Smile at your waitstaff or cashier. And my favorite, attend some of the fun events sponsored by this organization! Do whatever it takes to find your Vitamin "Connection"!

From the PROGRAM CHAIRS . . .

March was an interesting month for our group with two very different types of activities.

Many thanks go to Pam Burish for organizing the fun card-making evening and to her volunteer helpers for prepping the various cutouts so everything was ready to stamp and glue. Pam also donated many of her supplies both for onsite cards and for attendees to take home. Everyone was so happy with the wonderful Easter, St. Patrick's and special occasion creations it was hard to part with one! With additional items crafted by Pam for a small inventory, we donated more than 20 cards and special candy treat packages (see page 9 for further details).

At the end of March (after the newsletter deadline), we will have enjoyed an enlightening morning with Hesburgh Library archivist Elizabeth Hogan gaining insight into the history of women at Notre Dame as told through archival holdings. Meg Mitzel was hugely instrumental in coordinating this special opportunity for our group, including any needed parking passes and lunch following.

From the NEWCOMERS & VISITORS CHAIRS. . .

Winter days may have brought colder temperatures to our area, but that did not stop the Newcomers & Visitors Group from gathering during February at the home of co-chair Barbara Ewing for a lively game night of “Let’s Play Bunco”! The evening was filled with several rounds of bunco, much laughter, and fun fellowship! As a result of a successful Bunco Game Night, a newly formed interest group of bunco fun has been formed and will kick off in April! This new Bunco Game Night interest group is being co-chaired by Susan Brown and Barbara Ewing. We are happy to share the new interest group was well received by the membership, following a Mailchimp sent to the full membership. The group is at capacity, along with a group of members ready to join in for the evening as needed. Thank you and let the fun begin!

Newcomer friends and visitors also gathered for the February Let’s Eat Out at Rocky River Tap and Table in Mishawaka. Those attending enjoyed an evening of locally sourced farm-to-fork favorites and conversation. Newcomers will have gathered for the March Let’s Eat Out evening at always popular The Cellar Wine Bar and Kitchen as this newsletter is published.

Please do not miss the upcoming **Cedar Grove Cemetery tour** on the campus of Notre Dame to be held on May 2 at 2:00 PM, with a rain date of May 9. Details for this event, which is open to the entire membership, is covered in this newsletter as well as an upcoming Mailchimp.

Mark your calendars for April 27 at 6:30 PM for a spring gathering of “**Cocktails and Conversation**” at the home of co-chair Carolyn Kitz located at 54700 Merrifield Drive, Mishawaka. Please RSVP by Tuesday, April 18 to Carolyn by text at 248-727-3201. As we conclude this newcomers’ year, we hope to see each of the newcomers at this spring gathering to toast the friendships formed this year!

CREATIVE COOKING

We rang in the New Year with the January dinner from "Pandemic Palate Pleasers" with recipes from our own Creative Cooking cookbook published in 2021. It was a lively gathering at Maryann Keating's lovely home. We enjoyed appetizers of smoked salmon ball with baguette chips, and Italian white bean dip and fresh veggies. Dinner included mushroom lasagna, turkey and sweet potato meatloaf, fig and arugula salad, and avocado, tomato and corn salad. Sweet desserts were chocolate applesauce cake and carrot pineapple cake. Lots of delicious dishes!

February's theme was "We Love Ukraine" and the energetic gathering was held at Mary Fran Kitz's home. The committee was creative with their choices of beetroot and horseradish appetizer with lemon dressing, borscht soup, Ukrainian stuffed cabbage rolls, handmade spaetzle smothered in butter with bacon and onions, handmade pierogies stuffed with potatoes in a butter sauce, and salads that included cucumber, apples and tomatoes. For dessert were Kyiv cake and Ukrainian cheesecake tarts. We joked about all the beets, but members decided there were many surprisingly tasty dishes that were new to most of us.

The March meeting's theme was "Celebrating Ina!" with Ina Garten's recipes and was held at the beautiful home of Bridget Hubbard. Bridget decorated her home by displaying many interesting aprons from her vast collection. Such fun! The menu included Israeli vegetable salad, roast tenderloin with apple chutney, roasted turkey roulade, parmesan roasted broccoli, couscous with pine nuts and mint, roasted shrimp and orzo. Tasty desserts were French apple tart and bourbon chocolate pecan pie. So delicious - what a treat it all was!

Members have commented that one of the joys of being part of the Creative Cooking group is that they enjoy delicious and unique menus in warm home settings, and they are surrounded by the conversation and laughter of each other's company. What a delight!

Saturday, April 15 will feature a "Farmer's Market Brunch" menu, which is our final meeting before we break over the summer months. We are looking for a host for the brunch, so please contact the chairs if you can host. Thank you!

From the VOLUNTEER COORDINATOR . . .

We've had several successful and fun events in the past few months, with more to come soon. Here's the latest, and THANK YOU for all of your hearts and hands!

On February 12, we had a fun afternoon enjoying the sun coming in through the windows as we enjoyed coffee, cookies and lots of chat while signing MANY

valentine cards for residents of the Sisters of Saint Mary's Assisted Living community. In a thank you note, Sister Karla shared, "With the 100 I was able to give one to each sister in all the adjoining buildings. I had exactly enough. The sisters were happy to receive a card.... You are in our thoughts & prayers!"

Then on February 19, a handful of us joined many others for St. Margaret's House's Winter Walk, followed by a tour of St. Margaret's House and ending with a chili lunch at Fiddler's Hearth that also benefited St. Margaret's House. President Marcie Benjamin shared that the weather was lovely for the walk and the tour was "great"!

Finally in March, following a fabulous card-making party led by Pam Burish, we shared several handmade Easter cards with the hard-working counselors at Women's Care Center (WCC). WCC's President Jenny Hunsberger was delighted to accept the cards! WCC was founded by Notre Dame Professor Janet Smith in 1984 and has grown to become the largest pregnancy resource center in America. Here in South Bend, 1 out of every 2 babies born has his or her start at a WCC.

And here's what's coming up; we sure hope you can join us!
