

From the PRESIDENT . . .

The past year has brought some changes to our organization. We have welcomed Holy Cross College into our membership and added the name to the title of the organization. We are excited about this inclusion and have set up a scholarship fund there. Now all three member schools have a scholarship fund for the benefit of local women in our name. Please remember to donate to these funds!

During the spring meeting in May, a vote was made by membership to approve new Governing Documents. The new documents bring our practices up to date and include the changes previously mentioned above among others. Going through the documents word by word was accomplished with great care for detail in hopes of serving the organization well in coming years.

A Heritage Committee was formed to look into our history and ways for us to recognize our 90th anniversary this year. More information will be announced in future communications. For those interested in our history, we have added a digital copy of the history booklet written by Jo D'Alelio and Elaine Nicgorski in 1974 to our website. It's a fascinating tour through our first 40 years and includes many surprises.

As much as times have changed since 1934, they've stayed the same too. The motto of our group was and still is to be a social organization that promotes the education, social and cultural welfare of its members. This mission is as important as it ever was. As we look at ways to celebrate 90 years, we look to our members for reminiscences of the past as well as ideas to maintain engagement with one other and the community for the future.

Like any organization, we are only as strong as the commitment of our members. The opening reception theme from 1973 was "Get Involved! You'll like it!". I recommend all members to do just that. We need you! Hope to see you all at the opening reception on September 26.

Marcie Benjamin
President

You are cordially invited to our

PLEASE SUPPORT THE SCHOLARSHIP FUND

The Ladies of Notre Dame, Saint Mary's College and Holy Cross Scholarship was established in 1983 to support the education of local area female students who are pursuing their undergraduate education at the University of Notre Dame, Saint Mary's College and Holy Cross College. For many years, member donations were augmented by annual fundraising activities, but currently the sole source of scholarship revenue is member donations and Remembrance Card memorials.

The scholarship is a vital part of the financial aid package offered to students selected each year by the Financial Aid Offices at the respective schools. Each year, we have the pleasure of meeting the recipients at the Scholarship Luncheon in the spring, learning about their edu-

SCHOLARSHIP RECIPIENT PUBLISHES BOOK ABOUT THE TITANIC

Kelly Skwarkan, one of our current scholarship recipients, is the author of a recently published book *Iron & Ice: The Full Tale of the Titanic*. The 209-page book is available on Amazon in hardcover, paperback and Kindle formats.

Iron & Ice is the product of a decade of research, writing and re-writing which meant Kelly revised and expanded her book every summer between the ages of 11 and 21. Kelly's interest in the Titanic began when she was searching for a topic for an end-of-the-year project at school. An old VHS tape about the Titanic was the catalyst for her project, and a trip to the Titanic Museum in Pigeon Forge, TN, the summer before fifth grade, marked the beginning of her research. She spent two full days at the museum, confidently stating to the museum staff that she was going to write a book.

What distinguishes Kelly's book from all the others? "*Iron & Ice* bridges the existing gap in the Titanic book market by providing interested adults a middle ground between books written by historians for historians and those written for children," says Kelly. "By weaving together social, psychological, economic, and present-day commentary in character-driven narrative, I illustrate the Titanic's greater significance beyond that of a finite historical event. It is also one of the first (if not the very first) to comment on and connect the eerie parallels between the recent implosion of OceanGate's submersible Titan and the Titanic disaster." The final chapter of the book covers this topic.

Kelly is a graduate of Marian High School and a current senior psychology major at Notre Dame, with minors in health, humanities and society and painting. Outside of class, Kelly teaches barre at the South Bend Beacon Health and Fitness facility and enjoys taking fitness classes of all kinds. After Notre Dame, she intends to pursue a master's degree in sports and performance psychology and a doctorate in counseling psychology.

From the NEWCOMERS & VISITORS CHAIRS...

The LND/SMC/HCC newcomers committee's goal is to help welcome new members to the Notre Dame/St. Mary's College/Holy Cross College campuses as well as the local community. We look forward to connecting with each of you and having you join in on some of our gatherings. We hope that these outings will bring together members that have shared interests and want to learn more about their new area.

Our planned events will include some time spent learning about some of the history of the area as well as finding local restaurants, coffee spots and other special places to investigate. This area continues to offer more inviting places to visit and explore, which just adds to the appeal of the Michiana (Michigan/Indiana) landscape. We know that you will love this friendly group of women that we are all lucky enough to be a part of and enjoy finding your way in this welcoming community.

Our first fall event will be in October so be checking your email for the upcoming date. Coffee and conversation will be held at Chicory Café located in Mishawaka near the St. Joseph River. It will be a relaxed atmosphere for everyone to easily get acquainted followed by an optional walk around the riverfront (weather permitting).

We look forward to connecting with all of you!

BUNCO

Despite a broken ankle and surgery recovery, the LND/SMC/HCC Bunco Group is off to a great start, being the newest of the Interest Groups. The group began play in April of this year, with monthly bunco fun being the fourth Tuesday of

each month, with the exception of December, at the home of Barbara Ewing at 909 North Saint Peter Street in South Bend.

Those playing contribute \$2.00 per month to help defray the cost of prizes, as well as provide snacks for everyone to enjoy. Special thank you to Alison Levey for coordinating the monthly snacks!

Bunco night has certainly proven to be an evening of not only lively bunco play, but much fun, fellowship, and, of course, laughter! There is never a quiet moment, as everyone enjoys this time together!

With Bunco just beginning this past spring, we are continuing to add interested members to the substitute player list, as we seem to always be welcoming interested members to join in the monthly fun!

For those members attending the Opening Reception, you may sign up for the substitute player list during the reception or contact either co-chair to sign-up or for any additional information. Thank you!

From the ASSISTANT TREASURER...

Our scholarship program was created in 1983 to highlight our support of, and commitment to, distinguished local area female students who are pursuing their undergraduate education at the University of Notre Dame and Saint Mary's College. Pursuant to changes in our by-laws, we are now funding scholarships at Holy Cross College.

To be tax deductible, your check should be made out to the specific school that is your designated choice for the scholarship fund. We will take care of sending your donation to the schools for our scholarship fund. You will get a letter from the school acknowledging your gift. Our practice is to forward the funds we have received at the end of each month.

You can contribute towards the scholarship fund in several ways:

- Make a Remembrance Card gift. The LND/SMC/HCC Remembrance Cards recognize special occasions, such as birthdays, anniversaries, graduations, or the memory of someone who has passed. Those who have passed are also remembered in a Memorial Mass each May. The remembrance card packets contain a card and envelope to send the designated person notice of the donation and a card and envelope to send to our P.O. Box containing information regarding your donation and your check payable to one of the schools.

- Make a direct donation to the scholarship fund by mail. Please remember to designate a school, and send checks to:

LND/SMC/HCC
P.O. Box 116
Notre Dame, IN 46656

- Make a donation in person at LND/SMC/HCC gatherings (i.e., the opening reception, holiday tea, scholarship luncheon, annual business meeting). At those times, Remembrance Card packets will also be available.

To obtain Remembrance Card packets for future use, please contact the Assistant Treasurer.

IN MEMORIAM

Rosemarie Keane

June 19, 1934 - July 7, 2023

Rosemarie Halloran Keane, 89, of Notre Dame, Indiana, passed away peacefully on Friday, July 7, 2023. Born on June 19, 1934, in Pittsburgh, Pennsylvania, to the late John S. and Ethel (Mattingly) Halloran, she had lived locally since 1989, returning to the Midwest from Washington, DC.

A proud Pittsburgher who could sing the Pennsylvania state song, Rose enjoyed a happy, carefree childhood as the youngest of four children. She graduated from Duquesne University in 1956 with a degree in business education. While at Duquesne, she served as an officer of the Sigma Lambda Phi sorority and vice president of the Pi Omega Pi honorary business fraternity. She was also honored to be selected as the Queen of the University's Military Ball.

After college, Rose went to work at US Steel Corporation where she met John (Jack) Keane. On June 20, 1959, they married in Saint Bernadette's Roman Catholic Church in Pittsburgh, Pennsylvania. They were devoted to each other over their 60-year marriage as they raised their three children, worked very hard, built a company, and traveled the world together. They chose an idyllic neighborhood in Barrington, Illinois, to raise their family and establish lifelong friendships.

Rosemarie was known for her incredible kindness and compassion. She was a member of the Christ Child Society of South Bend, The Ladies of Notre Dame and Saint Mary's College, and the Junior League. Rose was active throughout her life enjoying swimming, tennis, yoga, and walking in nature. She also loved the sun and was beach bound as often as possible. Marco Island, Florida, was a special destination for 25 years where many happy memories were made and sunsets enjoyed with family and friends. In the last decades of her life, she cheered for the Notre Dame Fighting Irish football team. Rose's greatest joy was being a grandmother to Lindsey, Lauren, and Nicholas. She showered them with love and her Mimi magic.

In her twilight years Rosemarie resided in Holy Cross Village, Notre Dame, Indiana. In relocating from Independent Living to Assisted Care and finally to full time Nursing Care, she always greeted her friends with her beautiful smile. Joy was in her face when you met her on Sunday mornings for the 11:30 AM mass in Our Lady of Holy Cross Chapel, in the Dining Room or visiting around the Village. She is missed by her presence, but not by our memories.

Rose preceded in death by Jack Keane, who died on October 24, 2019. She was also preceded in death by her sisters: Sister Mary Halloran, CS, and Ursula Halloran and brother, John S. Halloran II. She is survived by

IN MEMORIAM

Carol Macura

June 14, 2023

Carol Ann (nee Medvecky) Macura, formerly of South Bend, passed away June 14, 2023, at the age of 86.

In the true style of the teacher she was for many years, Carol would find the most beautiful Christmas cards each December and send personal letters of joy within each card to many Notre Dame friends each year.

Carol was an adventurous cook and participated in the LND/SMC Creative Cooking group for many years. She never hesitated to volunteer with that willing smile she always maintained when it came to anything involving her beloved LND/SMC. During her last years, she and her husband, Joe, loved attending the ROND luncheons for retired Notre Dame faculty and staff where she delighted in meeting LND/SMC friends and sharing news of family and Notre Dame.

Beloved wife of the late Joseph Macura. She is survived by her son and daughter-in-law, Matthew and Anna Macura of Loveland, OH, along with two grandchildren, Amelia and Grant Macura. Carol was a long-time member of The Ladies of Notre Dame. She will be laid to rest with her husband at St. John's Cemetery in Stratford, CT.

her two daughters, Sharon Keane and Janmarie Keane Schnabel, both of Granger, her son, John W. (Joan) Keane of Prior Lake, MN, and three grandchildren; Lindsey, Lauren, and Nicholas Schnabel.

A Mass of Christian Burial was celebrated on July 17 at the Basilica of the Sacred Heart, Notre Dame. Burial followed at Cedar Grove Cemetery, Notre Dame.

TOUR OF NOTRE DAME ARCHIVES

In March members gathered in Hesburgh Library at the University of Notre Dame to hear from Senior Archivist Elizabeth Hogan about the role of women at ND. While coeducation at ND officially started in 1972, women studied and earned degrees at ND long before that. Many artifacts trace the achievements of women at ND, and even LND/SMC/HCC artifacts are carefully curated.
